## TERMS AND CONDITIONS OF SALE

Last Updated: 2/19/18

**Applicability:** These Terms and Conditions of Sale ("Terms and Conditions") apply to all products and services ("Products") sold by Robroy Industries ("Seller") to the individual or entity ordering the same ("Buyer"). If Buyer's purchase order or other order documentation with respect to Products includes terms that conflict with, or are in addition to, those set forth in these Terms and Conditions, Seller hereby expressly rejects such conflicting or additional terms of Buyer, and Buyer and Seller agree that these Terms and Conditions shall apply. Notwithstanding anything herein to the contrary, to the extent any provision of these Terms and Conditions conflicts with terms in a written quote from Seller to Buyer for specific Products (each, a "Quote"), the terms of such Quote shall apply.

**Acceptance:** All orders proposed by Buyer are subject to acceptance by Seller. Such acceptance shall occur when Seller acknowledges in writing the acceptance of Buyer's order or, if Seller provides no such acknowledgment, upon Seller commencing performance with respect to Buyer's order.

**Delivery:** Any proposed delivery date given by Seller with respect to Buyer's purchase of Products is an estimate only. Any such proposed delivery date is in no way guaranteed unless otherwise specified by Seller in writing. Seller shall not be liable for any damages, losses or claims whatsoever due to Seller's inability to meet any such proposed delivery date.

**Payment Terms:** The payment terms for Buyer's purchase of Products are set forth in the applicable Quote. In the event such Quote does not contain payment terms, Buyer agrees to pay all invoiced amounts within terms of the applicable invoice. Standard terms are 2% 10th Prox, Net 25th. All payments shall be made in immediately available U.S. funds, without deduction or set-off. In the event any invoiced amount is not paid by Buyer when due, Seller may assess additional amounts as interest. Credit card payments may be subject to additional fees.

**Right to set off:** Seller reserves the right to offset credit balances against due amounts.

**Shipping Terms:** Except as otherwise set forth in the applicable Quote, Products are shipped F.O.B. point of shipment from Seller's factory location, regional warehouse or other location as selected by Seller. Title and risk of loss with respect to any Products shall pass to Buyer upon delivery of Products to carrier at Seller's point of shipment. Unless otherwise set forth in the applicable Quote, Seller will determine the method of transportation, carrier and other shipping logistics for Products purchased by Buyer. Alaska, Hawaii and export shipments are F.A.S. Port of Embarkation with all export charges to the buyer's account.

Freight allowance is based on a single order which is routed in one shipment to a single destination by common carrier. Freight allowance is best way. Additional requirements will be handled pre-paid and charged or collect. Freight charges include any appropriate and/or extraordinary packaging or handling charges. Shipments will be completed without back orders. If a partial shipment is requested on a freight allowed order and each shipment would not qualify for allowance, freight will be allowed on the portion having a greater weight. Freight to stocking distributors is prepaid and allowed on \$6,000.00 (net) orders or more (freight as quoted).

**Minimum Billing:** Orders less than \$250 net value will be invoiced at \$250 plus transportation charges.

**Shortage:** No shortage claims will be recognized unless such shortage is reported to our Gilmer, Texas office within fifteen (15) days from receipt of shipment at destination.

**Damage or Loss in Transit:** Buyer agrees to inspect Products prior to accepting delivery from carrier and to make any claims for loss or damage to Products while in transit solely against the carrier transporting such Products and, in any event, not against Seller regardless of freight payment.

**Cancellation:** Following Seller's acceptance of an order, such order may not be cancelled without Seller's written consent. Orders for normal quantities of standard catalog listed goods may be cancelled without charge with written authorization. Cancellation of orders for special products will not be accepted after order release.

**Return of Products:** No Products may be returned to Seller without Seller's prior written consent. Only normally stocked materials in resalable condition will be considered returnable. A minimum restocking charge of 35% of the price originally paid for the material will apply. Transportation charges on the returned material must be prepaid. Material ordered for or shipped to job sites will not be accepted for return under any condition except warranty.

Non-catalog and Material specially fabricated to the customer's specifications cannot be returned for credit unless the return is made necessary through poor workmanship or defective materials supplied by Seller.

**Limited Warranty:** Seller warrants that Products manufactured by Seller are free from defects in workmanship and materials for a period of 5 years from the date of shipment to Buyer. If within such period Buyer shall provide notice in writing to Seller of a defect, and the Products subject to such notice shall be proven to Seller's satisfaction to be defective as to workmanship or materials, then such defective Products shall be repaired or replaced at Seller's option. Such repair or replacement of defective Products shall constitute a fulfillment of all liabilities in respect to such defective Products and is Buyer's sole and exclusive remedy with respect thereto. The foregoing limited warranty shall not apply to Products that have been subjected to abuse, misuse, neglect, negligence, accident, improper testing, improper installation, improper storage, improper handling, abnormal physical stress, abnormal environmental conditions, use or installation contrary to any instructions issued by Seller, that have been reconstructed, repaired or altered by persons other than Seller or its authorized representatives, or that have been used with any third-party product that has not been previously approved in writing by an authorized representative of Seller.

THE FOREGOING WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY DISCLAIMED.

**Rework:** No credit will be allowed for rework unless authorized in advance in writing by the appropriate factory location of Robroy.

**Quotations and Prices:** Orders are accepted with the understanding that Products will be billed at the price in effect at the time of shipment, unless otherwise specified in an applicable Quote. Seller's current catalog (and other promotional brochures to the extent available) may be found on its website or a copy will be supplied to Buyer upon request.

**Catalog Specifications:** Catalog weights and dimensions are estimates only and are not guaranteed.

**Limitation on Damages:** NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN ANY ORDER OR IN ANY QUOTE, SELLER SHALL NOT BE LIABLE FOR ANY CONSEQUENTIAL, CONTINGENT, INCIDENTAL, SPECIAL OR PUNITIVE DAMAGES WHATSOEVER.

**Intellectual Property:** Seller (or its licensors) retains all exclusive right, power and authority as to all of its (or their) patents (including all reissues, divisionals, provisionals, continuations and continuations-in-part, re-examinations, renewals, substitutions and extensions thereof), patent applications, other patent rights and any other governmental authority-issued indicia of invention ownership, U.S. and foreign trademarks, service marks, trade dress, trade names, brand names, logos, trade dress, corporate names and domain names, and other similar designations of source, sponsorship, association or origin, trade secrets, works of authorship, expressions, designs and design registrations, whether or not copyrightable, including copyrights and copyrightable works, and all other intellectual property and industrial property rights, together with the goodwill symbolized by any of the foregoing, in each case whether registered or unregistered and including all registrations and applications for, and renewals and extensions of, such rights and all similar or equivalent rights or forms of protection in any part of the world (collectively, "Seller's IP"). Buyer acknowledges and agrees that: (i) Buyer shall not acquire any ownership interest in, or independent right to use, any of Seller's IP under these Terms and Conditions or under any order or Quote; (ii) any goodwill derived from the use by Buyer of Seller's IP inures to the benefit of Seller or its licensors, as the case may be; (iii) notwithstanding the foregoing, if Buyer acquires any rights in or relating to any Seller's IP (including any rights in any trademarks, derivative works or patent improvements relating thereto) by operation of law, or otherwise, such rights are deemed and are hereby irrevocably assigned to Seller or its licensors, as the case may be, without further action by either of the parties; (iv) Buyer shall use Seller's IP solely for purposes of using the Products and only in accordance with the applicable Quote and these Terms and Conditions and the instructions of Seller. Without limiting the foregoing, Buyer shall not remove any designation of Seller's IP from, or used in connection with, any Products supplied pursuant to these Terms and Conditions, nor shall Buyer add any designations of Seller's IP to any other goods or services not supplied by Seller. Seller retains all copyrights and other ownership rights with respect to all drawings, models, plans, software, samples, and other documentation concerning the Products or that otherwise includes Seller's IP (collectively, "Documentation"). Documentation may not be copied or disclosed to others without Seller's express written consent and must be promptly returned to Seller (a) if an order is not placed or (b) upon Seller's request. Seller reserves the right, subject to reasonable notice, to request an audit and/or written verification to ensure that Buyer is not misusing any Seller's IP.

**Taxes:** The amount of any present or future sales or other similar tax applicable to the Products sold hereunder shall be added to the prices of the Products and paid by Buyer in the same manner and with the same effect as if originally added thereto.

**Governing Law:** These terms and conditions and all transactions contemplated hereby shall be governed by the laws of the State of Texas.

**Force Majeure:** Seller shall not be liable in any way for loss, damage or expense arising directly or indirectly from an event of force majeure, such as any failure or delay in performing any obligation hereunder caused by any circumstance beyond its control, including but not limited to war, acts or threats of terrorism, riot, mechanical or computer failure, scarcity of labor or transportation, materials or supplies, strike, lock-out or other industrial or labor disputes (whether or not involving employees of Seller), floods, fires, earthquakes, explosions or other natural events. Seller shall use commercially reasonable efforts to notify Buyer of the existence of such force majeure event.

**Compliance with Laws.** Buyer shall comply with all applicable federal, state and local laws and rules and regulations of any governmental authority which have the effect of law with respect to its ownership, use and handling of Products. Without limiting the foregoing, Buyer and its personnel, agents and representatives are aware of, and agree to abide by, (i) the United States Foreign Corrupt Practices Act and other similar laws, regulations, orders, judicial decisions, conventions and international financial institutional rules in applicable jurisdictions with respect to domestic or international corruption, bribery, ethical business conduct, money laundering, political contributions, gifts and gratuities or lawful expenses to public officials and private persons, commissions, lobbying, books and records and financial controls (collectively, "Anti-Corruption Laws") and (ii) Seller's current Foreign Corrupt Practices Act Policy, which is incorporated herein by reference and is available at the following web address (<https://robroy.com/foreign-corrupt-practices-act-policy>) (the "FCPA Policy"). A copy of the FCPA Policy will be sent to Buyer upon written request. Accordingly, Buyer agrees that Buyer has not made, and will not make any offer, payment, promise to pay, or authorization of the payment of any money, or offer, gift, promise to give, or authorize the giving of anything of value, directly or indirectly, to or for the use of any officer or employee of any government department, agency, instrumentality or corporation thereof, or any political party or any official of such party or candidate for office, or any person acting for or on behalf of any of the foregoing, for the purpose of obtaining or retaining business for or with, or directing business to, any person. Any provision required to be included in these Terms and Conditions by any such applicable law, rule or regulation shall be deemed incorporated herein without limiting the generality of the foregoing. From time to time, Seller may request a certification of Buyer as to its compliance with Seller's then-current FCPA Policy.
